Nancy is an inspirational speaker and teacher with a passion to see people fulfill their destinies in Christ. She earnestly seeks revelation of the Holy Spirit through the Word of God to bring relevant truth of the Kingdom of heaven to the Body of Christ. Carrying the message of the power of prayer in bringing heaven's atmosphere to earth,

Nancy has traveled to over 50 nations. In her book, Prayer – Heaven's Open Door, she explores how to access the promises and resources of heaven through a satisfying intimate relationship with God.

**Dave McDaniel** serves as the Director of Men of Issachar, Aglow International.

Prior to his retirement, his career was in education as a teacher, school administrator and football coach.

Dave is a capable leader and motivator who encourages the gifts in others. He is passionate to see people live in the fullness of their identity and spiritual inheritance. He has a zeal to bring the favor of God's goodness into the atmosphere of the family, workplace, and community. He shares the Word of God with practical and prophetic wisdom. With an understanding of the times, he encourages men to bring a godly influence and blessing to those around them through living in the fullness of the Kingdom.

**Dana Enright** is a vibrant prophetic speaker

and encourager with a powerful testimony. As Regional Director for the North Central Region of Aglow International and a member of Aglow's U.S.

National Leadership Team, Dana travels frequently to share God's Word. She weaves her testimony, including her difficult growing up years, with later experiences living in Israel in the 2006 summer war with Hezbollah forces. Dana and husband, Ron, stood on God's Word to bring healing and restoration during very difficult times.

Her life is a testimony to God's goodness and faithfulness. From her own experiences, Dana is vigorously pro-life and has a special place in her heart for young, single moms. Her love for the Lord and His people resonate mightily as she calls people up into their true identities, as God created them to be.

Dana and her husband live in Wisconsin where they enjoy their five children and grandchildren in the U.S., as well as traveling to Israel as often as possible to see their son's family who live there.
